Pool Alarm - Maytronics

1 Warning

- 1.1 The AQUALARM, SWIM ALERT and ESPIO alarm systems aim to assist in promoting pool safety, but in no way guarantee pool safety.
- 1.2 The installation of the AQUALARM, SWIM ALERT and ESPIO alarm systems do not remove the need to actively supervise individuals in and around pool areas.
- 1.3 We have set out some safety recommendations in our manual which are provided with the AQUALARM, SWIM ALERT and ESPIO. We strongly recommend that you review the manual thoroughly before using the AQUALARM, SWIM ALERT and ESPIO.

2 Liability

- 2.1 Subject to clause 2.2 and to the maximum extent permitted by law, we (the **Supplier**) are not liable for any loss, damage, cost, expense or liability (whether direct, indirect, consequential, exemplary, special, punitive or otherwise) however caused (including by the negligence of the Supplier), suffered by any person (including you) in connection with the of AQUALARM, SWIM ALERT and ESPIO products (whether in relation to supply, installation, operation, failure, use or misuse or otherwise).
- 2.2 If the *Competition and Consumer Act 2010* (Cth) or any other legislation provides that there is a guarantee in relation to any good or service supplied by the Supplier in connection with the supply and installation of AQUALARM, SWIM ALERT and ESPIO products and the Supplier's liability for failing to comply with that guarantee cannot be excluded but may be limited, or there is other liability that cannot be excluded pursuant to clause 2.1 above, then clause 2.1 does not apply to that liability and instead the Supplier's liability for such failure (or other non-excludable liability, as relevant) is limited to (at the Supplier's election), in the case of a supply of goods, the Supplier replacing the goods or supplying equivalent goods or repairing the goods or paying the cost of any of those three remedies, or in the case of a supply of services, the Supplier supplying the services again or paying the cost of having the services supplied again.
